

## Ultra compact and reliable Dot Matrix Printer

Offering both reliability and high quality in a compact form.

The compact 24 pin Dot Matrix Printer gives your business the benefit of being close to hand without getting in the way, ideal for a counter-top use.

The ML5100FB is built for task critical situations, such as fast paced retail outlets, travel agents or banks. Can be used for printing slips, tickets, receipts, forms and multi-part documents (1 original + 4 copies), the ML5100FB keeps transactions smooth and customers happy.

At OKI Printing Solutions we are committed to your business needs, and know that printer performance and long-term business value are important to you. The ML5100FB gives your business the benefit of a low cost, reliable and easy to use printer in a space saving size.

- Compact at only 180 x 349 x 230mm (HxWxD)
- Print speeds up to 375 cps for faster transactions and happier customers
- Reliable with 10,000 hours MTBF (Mean Time Before Failure)
- Flatbed design gives broad media handling capability

- Multi-part paper handling (1 original + 4 copies) for greater efficiency and convenience
- USB 2.0, serial and parallel interface as standard
- Clear and simple control panel ensures no training is required to operate the printer
- 'Clean hands' ribbon changing ensures no delay, mess or hassle when fitting a new ribbon
- Use of original ribbons maximises life of print-head, reducing service needs and expense
